

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irena Wiczkowski  
DOCKET NO.: 13-29476.001-R-1  
PARCEL NO.: 04-28-104-031-0000

The parties of record before the Property Tax Appeal Board are Irena Wiczkowski, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,719  
IMPR.: \$31,781  
TOTAL: \$34,500**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,108 square foot parcel of land improved with a 19-year old, two-story, frame, attached, single-family dwelling containing 2,032 square feet of living area. The property is located in Northfield Township, Cook County. The subject is classified as a class 2-95 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in July 2013 for a price of \$345,000. In addition, the appellant submitted an appraisal with an estimation of value as of June 10, 2013 of \$351,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,474. The subject's assessment reflects a market value of \$404,474 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted evidence on four market value comparables. In addition, the board of review listed the sale of the subject in July 2013 for \$345,000.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2013 for a price of \$345,000. The appellant provided evidence demonstrating the sale was not between related parties and the board of review did not refute the arm's length nature of the sale. In addition, the appellant's appraisal supports the market value of the subject based on the purchase price. Based on this record the Board finds the subject property had a market value of \$345,000 as of January 1, 2013. Therefore, the Board finds the subject overvalued and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
