

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Morgenthal  
DOCKET NO.: 13-30012.001-R-1  
PARCEL NO.: 03-10-308-008-0000

The parties of record before the Property Tax Appeal Board are Donald Morgenthal, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,485  
**IMPR.:** \$ 27,090  
**TOTAL:** \$ 31,575

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction with 2,499 square feet of living area. The dwelling was constructed in 1985. Features of the home include a full basement, central air conditioning, a fireplace

and a one-car garage. The property has a 7,800 square foot site and is located in Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,575. The subject property has an improvement assessment of \$27,090 or \$10.84 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

In written rebuttal, the appellant stated that the board of review's comparables are not "truly comparable". In addition, the appellant stated that the subject's 2014 assessment was reduced to \$28,425.

#### Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board is not persuaded by the appellant's assertion that the subject's assessment should be reduced as its 2014 assessment was reduced due to the fact that 2013 and 2014 are in different triennial periods for Wheeling Township. The Board finds the best evidence of assessment equity to be appellant's comparables and the board of review's comparables. These comparables had improvement assessments that ranged from \$9.70 to \$11.93 per square foot of living area. The subject's improvement assessment of \$10.84 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
