

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy's Deli
DOCKET NO.: 13-30069.001-C-1 through 13-30069.003-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Andy's Deli, the appellant, by attorney Chris D. Sarris of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-30069.001-C-1	16-10-403-014-0000	8,520	2,672	\$11,192
13-30069.002-C-1	16-10-403-040-0000	3,233	5,796	\$9,029
13-30069.003-C-1	16-10-403-041-0000	4,381	5,398	\$9,779

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 13,399 square foot site improved with minor improvements such as asphalt paving for parking, concrete curbing and a wrought iron fence with a gate. The property is located in Chicago, West Chicago Township, Cook County. The property is classified as a class 5-90 commercial property with minor improvements under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$120,000 as of January 1, 2012. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of

\$34,492, which reflects a market value of approximately \$137,968 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-90 property of 25%. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record to be the appraisal submitted by the appellant estimating the subject property had a market value of \$120,000 as of January 1, 2012. The subject's assessment reflects a market value above the only evidence of market value in the record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Section §1910.40(a) & §1910.69(a)). Based on this evidence the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
