

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Champps Operating Corporation  
DOCKET NO.: 13-30310.001-C-1  
PARCEL NO.: 07-14-200-053-0000

The parties of record before the Property Tax Appeal Board are Champps Operating Corporation, the appellant, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$259,321  
**IMPR:** \$116,929  
**TOTAL:** \$376,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) contesting the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story masonry constructed commercial building of masonry construction with 10,741 square feet of building area. The building was constructed in 1984 and is being used as a restaurant. Features of the building include a concrete slab foundation, a wet sprinkler system, central air conditioning, a men's washroom and

a women's washroom. Site improvements include asphalt paving for 140 cars. The property has a 98,789 square foot site and is located in Schaumburg, Schaumburg Township, Cook County. The property is classified as a class 5-17 one-story commercial building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,505,000 as of January 1, 2013. In estimating the market value of the subject property the appraisers developed the cost approach to value, the income approach to value and the sales comparison approach to value.

The appellant submitted a copy of the final decision issued by the Cook County Board of Review disclosing the total assessment for the subject property of \$400,100. The subject's assessment reflects a market value of \$1,600,400 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 5-17 property of 25%.

Based on this evidence the appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its contention of the correct assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$1,505,000 as of January 1, 2013. The subject's assessment reflects a market value above the only evidence of market value in the record. The board of review did not submit any evidence in support of its assessment of the

subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
