

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Clarke
DOCKET NO.: 13-30496.001-R-1
PARCEL NO.: 31-36-105-021-0000

The parties of record before the Property Tax Appeal Board are Judith Clarke, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,950
IMPR.: \$3,843
TOTAL: \$5,793

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family building with 949 square feet of living area. The dwelling was constructed in 1953. The property has a 7,094 square foot site and is located in Park Forest, Rich Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales and adjustment information which sold from October 2012 to February 2013 for prices ranging from \$16,810 to \$25,000 or from \$17.70 to \$26.34 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,793. The subject's assessment reflects a market value of \$57,930 or \$61.04 per square foot of building area, including land, when applying the 2013 level of

assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables which sold from May 2010 to April 2012 for prices ranging from \$67,000 to \$89,000 or from \$66.000 to \$93.78 per square foot of living area, including land.

In rebuttal, the appellant's attorney distinguished the board of review's evidence based on sale date, proximity, and sale conditions.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, give them no weight.

The Board finds the best evidence of market value to be the appellant's comparables and #4 and the board of review's comparable #1 and #4. These similar comparables sold for prices ranging from \$17.70 to \$74.95 per square foot of living area, including land. The subject's assessment reflects a market value of \$61.04 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
