

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Turner
DOCKET NO.: 13-30586.001-R-1
PARCEL NO.: 31-17-111-013-1001

The parties of record before the Property Tax Appeal Board are Peter Turner, the appellant, by Jerri K. Bush, Attorney at Law, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,298
IMPR.: \$4,138
TOTAL: \$5,436

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story residential dwelling of brick construction that was built in 1984. The subject is classified as a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. The subject property is located in Rich Township, Cook County, Illinois.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant completed Section IV of the appeal petition disclosing the subject property sold in May 2013 for \$54,360. The appellant submitted the settlement statement and Multiple Listing Service (MLS) sheet associated

with the sale of the subject property. The evidence depicts the subject property was listed for sale on the open market with a Realtor for 23 days and the parties to the transaction were not related.

The appellant also submitted the final decision issued by the Cook County Board of Review disclosing the subject property's total assessment of \$8,689. The subject's assessment reflects an estimated market value of \$86,890 when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for Class 2 property of 10%. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect its sale price.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value contained in this record is the subject's May 2013 sale price of \$54,360. The Board finds the sale meets the fundamental elements of an arm's-length transaction. The subject's assessment reflects an estimated market value of \$86,890, which is more than its sale price. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). Based on this evidence, the Board finds a reduction in the subject's assessment is warranted. Since fair market value has been established, the Cook County Real Property Assessment Classification Ordinance level of assessment for Class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
