

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Quadir Khan
DOCKET NO.: 13-30631.001-R-1
PARCEL NO.: 07-15-409-016-0000

The parties of record before the Property Tax Appeal Board are Quadir Khan, the appellant, by Julie Realmuto, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,646
IMPR.: \$16,022
TOTAL: \$19,668

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,632 square feet of living area. The dwelling is approximately 57 years old. Features of the home include a crawl space foundation, a fireplace and a two and one-half car garage. The property has a 11,220 square foot site and is located in Hoffman Estates, Schaumburg Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.¹

¹ On the assessment grid analysis, the appellant submitted incomplete information regarding the comparables' features.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,668. The subject property has an improvement assessment of \$16,022 or \$9.82 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on a total of eight suggested equity comparables. The Board gave little weight to the appellant comparables due to the lack of descriptive information about the improvements which prevents a meaningful analysis to determine the similarities of the comparables to the subject property. The Board also gave less weight to the board of review's comparable #4 due to a concrete slab foundation when compared to the subject's crawl space foundation. The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2 and #3. These comparables were identical to the subject in location, design, exterior construction and foundation. These comparables were similar to the subject in age and other features. The board of review's comparables had improvement assessments that ranged from \$10.36 to \$10.69 per square foot of living area. The subject's improvement assessment of \$9.82 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
