

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Clarke  
DOCKET NO.: 13-30723.001-R-1  
PARCEL NO.: 30-17-210-021-0000

The parties of record before the Property Tax Appeal Board are Judith Clarke, the appellant(s), by attorney Nancy Pina, of the Law Office of Nancy Pina in Broadview; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,207  
**IMPR.:** \$4,725  
**TOTAL:** \$5,932

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling with 1,025 square feet of living area of frame construction. The dwelling is 91 years old. Features of the home include one bathroom and a full basement. The property has a 4,026 square foot site and is located in Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,932. The subject's assessment reflects a market value of \$59,320 or \$57.87 per square foot of living area, including land, when applying the 2013 level of

assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted sales information on four properties suggested as comparable to the subject property.

At hearing, both parties rested on their previously submitted evidence. The board of review's representative objected to the adjustments shown on the appellant's comparable property grid sheet. The Administrative Law Judge stated that the comparables are in evidence; however, the fact that the person who made the adjustments to the comparables was not present to testify would go to the weight of the comparables. The appellant's attorney stated the board of review's comparables #1, #2, and #4 are newer than the subject property and comparable #3 has a recent sale price of \$56.33 per square foot of living area which is lower than the market value indicated by the subject's assessment of \$59,320 or \$57.87 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be all of the board of review's comparables and all of the appellant's unadjusted comparables. These comparables sold for unadjusted prices ranging from \$7.12 to \$102.04 per square foot of living area, including land. The Board did not consider the appellant's adjustments as the person who made the adjustments was not present to testify. The subject's assessment reflects a market value of \$57.87 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
