

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jacqueline S. Henkel  
DOCKET NO.: 13-30734.001-R-1  
PARCEL NO.: 13-20-421-044-0000

The parties of record before the Property Tax Appeal Board are Jacqueline S. Henkel, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,536  
**IMPR.:** \$10,664  
**TOTAL:** \$15,200

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,536 square foot parcel of land improved with a 62-year old, one-story, masonry, single-family building containing 1,265 square feet of building area. The property is located in Jefferson Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of the overvaluation argument the appellant submitted copies of the multiple-listing database printout (MLS) and the settlement statement disclosing that the property was purchased in March 2012 for a sale price of \$152,000. The appellant requested an assessment of 10% of the sale price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,751. The subject's assessment reflects a market value of

\$237,510 using the Cook County Ordinance Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted evidence on four sales comparables.

In written rebuttal, the appellant submitted a brief asserting that the board of review's evidence was insufficient.

At hearing, the appellant argued that the sale of the subject supports a reduction. The appellant called Mr. Rick Robin to testify. Mr. Robin testified that he did not have any personal knowledge as to the subject's sale.

The board of review's representative, Roland Lara, argued that the appellant has not met her burden of proof.

In rebuttal, the appellant's attorney reiterated that the sale of the subject supports a reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2012 for a price of \$152,000. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Therefore, the Board finds the subject had a market value of \$152,000. Since the market value of this parcel has been established, the Cook County Real Estate Classification Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
