

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Janiczek
DOCKET NO.: 13-31459.001-R-1
PARCEL NO.: 31-24-314-002-0000

The parties of record before the Property Tax Appeal Board are Joan Janiczek, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,772
IMPR: \$ 5,912
TOTAL: \$ 8,684

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 1,615 square feet of living area of frame and masonry construction. The dwelling was constructed in 1964. Features of the home include central air conditioning and one and one-half baths. The

property has a 9,240 square foot site and is located in Rich Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. In addition, the appellant disclosed that the subject was purchased in October 2009 for a price of \$52,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,684. The subject's assessment reflects a market value of \$86,322 or \$53.45 per square foot of living area, including land, when applying the 2013 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.06% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

In written rebuttal, the appellant stated that board of review comparables #2, #3, and #4 are not located within the subject's neighborhood. The appellant also stated that one of the board of review comparables is a cape cod style home and not a ranch home.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board notes that appellant's comparable #2 and board of review comparable #1 is the same property. The board of review's evidence indicates this comparable sold in June 2013. The appellant's evidence indicates this comparable sold in September 2010. The Board utilized the board of review's sale date for

this comparable as it is closer to the January 1, 2013 lien date at issue. The Board finds the best evidence of market value to be appellant's comparable sales #1, #3, and #4 and the board of review's comparable #1. These comparables sold for prices ranging from \$30.55 to \$69.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$53.45 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
