

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sukina Johnson
DOCKET NO.: 13-31531.001-R-1
PARCEL NO.: 16-23-104-027-0000

The parties of record before the Property Tax Appeal Board are Sukina Johnson, the appellant(s), by attorney Adam E. Bossov, of the Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,025
IMPR.: \$ 1,075
TOTAL: \$ 5,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 2,776 square feet of living area. The dwelling is 109 years old. Features of the home include a full unfinished basement. The property has a 4,025 square foot site, and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 18, 2010 for a price of \$51,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,184. The subject's assessment reflects a market value of \$161,840, or \$58.30 per square foot of living area, including land, when applying the 2013 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The board of review also submitted evidence that the subject sold in November 2010 for \$10,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2010 for a price of \$51,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related. In further support of the transaction, the appellant submitted warranty deed affixed with State of Illinois Real Estate Transfer Tax stamps, a residential real estate contract, and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$51,000 as of January 1, 2013. Since market value has been determined the 2013 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
