

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: SRP Sub, LLC
DOCKET NO.: 13-31924.001-R-1
PARCEL NO.: 31-12-101-047-0000

The parties of record before the Property Tax Appeal Board are SRP Sub, LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,740
IMPR.: \$ 11,660
TOTAL: \$ 16,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 2,397 square feet of living area. The dwelling is 48 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 12,640 square foot site, and is located in Flossmoor, Rich Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and therefore, it is not owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The appellant also submitted evidence disclosing the subject property was purchased on October 15, 2013 for a price of

\$164,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,667. The subject's assessment reflects a market value of \$186,670, or \$77.88 per square foot of living area, including land, when applying the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables. The board of review's evidence also states that the subject was purchased in October 2013 for \$164,000.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it did not conform to the Official Rules of the Property Tax Appeal Board.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the undisputed purchase of the subject property in October 2013 for a price of \$164,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, and that the property was advertised for sale on the open market with a listing on the MLS for approximately two months. In further support of the transaction, the appellant submitted the residential real estate contract, the escrow trust disbursement statement, the City of Chicago Real Property Transfer Tax Declaration, and the printout from the MLS. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$164,000 as of January 1, 2013. Since market value has been determined the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
