

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Brickman
DOCKET NO.: 13-31936.001-R-1
PARCEL NO.: 30-32-403-074-0000

The parties of record before the Property Tax Appeal Board are David Brickman, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,046
IMPR.: \$13,253
TOTAL: \$16,299

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 37-year-old, two-story dwelling with 2,081 square feet of living area of frame and masonry construction. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car

garage. The property has an 8,125 square foot site and is located in Thornton Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three suggested comparable sales. The properties are described as two-level, single-family dwellings ranging: in size from 2,081 to 2,711 square feet of living area; and in sale price from \$51.64 to \$58.45 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,299. The subject's assessment reflects a market value of \$162,018 or \$77.86 per square foot of living area, including land, when applying the 2013 three year median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested comparable sales. The properties are described as two-story, single-family dwellings with

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, and #2, and the board of review's comparable sales #3 and #4. These comparables sold for prices ranging from \$52.86 to \$88.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$77.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the

Docket No: 13-31936.001-R-1

Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
