

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rick Schaap
DOCKET NO.: 13-32073.001-R-1 through 13-32073.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Rick Schaap, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-32073.001-R-1	30-32-303-016-0000	1,633	1,659	\$3,292
13-32073.002-R-1	30-32-303-017-0000	1,633	3,385	\$5,018
13-32073.003-R-1	30-32-303-039-0000	90	0	\$90

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains two improvements on two parcels and one parcel of vacant land. Each parcel is designated by a separate Property Index Number (hereinafter, "PIN"). Improvement #1 is a 76 year-old, two-story dwelling of frame construction with 1,815 square feet of living area. Features of the home include a full unfinished basement and central air conditioning. Improvement #2 is a 76 year-old, one-story dwelling of frame construction with 442 square feet of living area. Features of the home include a full unfinished basement and a two and one-half-car garage. The property has a 4,356 square foot site and is located in Thornton Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$84,000 as of January 1, 2011. The appraisal disclosed the subject consisted of two improvements, for a combined living area of 2,257 square feet. The appellant requested a total assessment reduction to \$8,400 when applying the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the two-improvement subject of \$22,050. The subject's assessment reflects a market value of \$220,500 when applying the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three unadjusted suggested sales comparables for Improvement #1 and on four unadjusted suggested sales comparables for Improvement #2.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$84,000 as of the assessment date at issue. Since market value has been established, the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
