

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Jacques  
DOCKET NO.: 13-32369.001-C-1 through 13-32369.005-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Thomas Jacques, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
13-32369.001-C-1	29-05-409-001-0000	181	0	\$181

13-32369.005-C-1	29-05-409-005-0000	2,909	52	\$2,961

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story commercial building of masonry construction with 4,880 square feet of building area. The building was constructed in 1988 and is being used as an auto-repair shop. Features of the building include a poured reinforced concrete foundation, 550 square feet of finished office area, central air conditioning in the finished area, two washrooms and four overhead doors. The property has a

13,754 square foot site and is located in Riverdale, Thornton Township, Cook County. The subject's classification is a 1-00, 5-22 and 5-90 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$85,000 or \$17.42 per square foot of building area, including land, as of January 1, 2012. The appraisal was prepared by Robert S. Kang, an Illinois Certified General Real Estate Appraiser. In estimating the market value of the subject property the appraiser developed the sales comparison approach to value using five comparable sales that sold from December 2009 to May 2012 for prices ranging from \$26,500 to \$75,000 or from \$13.64 to \$17.67 per square foot of building area, including land.

The appellant submitted a copy of the decision issued by the Cook County Board of Review disclosing a total assessment of \$39,111. The subject's assessment reflects a market value of \$157,530 when applying the Cook County Real Property Assessment Classification Ordinance levels of assessment to the respective parcels. Based on this evidence the appellant requested the subject's total assessment be reduced to \$21,250.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating a market value for the subject property of \$85,000 as of January 1, 2012. The subject's assessment reflects a market value above the only evidence of market value in the record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and finds the board of review to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Board finds a reduction to the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
