

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry Zachary
DOCKET NO.: 13-32446.001-R-1
PARCEL NO.: 04-30-407-049-0000

The parties of record before the Property Tax Appeal Board are Barry Zachary, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,517
IMPR.: \$14,490
TOTAL: \$23,007

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 59 year-old, one-story dwelling of frame and masonry construction containing 1,881 square feet of living area. Features of the home include a crawl space basement and central air conditioning. The property has a 10,020 square foot site and is located in Northfield Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was sold to the appellant by BMO Harris Bank on March 13, 2012 for a price of \$170,000 in an all-cash transaction. The appellant also submitted an illegible real estate contract and information in Section IV—Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties, was not advertised for sale, was sold by the owner, and was sold in settlement of a

contract for deed. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,007. The subject's assessment reflects a market value of \$230,070 or \$122.31 per square foot of living area when using the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The subject's sale price of \$170,000 reflects a market value of \$90.38 per square foot of living area including land.

In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales. The board of review also submitted a brief arguing that the subject was not sold at fair cash value and was, therefore, a compulsory sale. The board of review appended a print-out from the Cook County Recorder of Deeds website, commonly known as a "deed trail" that disclosed the following documents had been recorded: 1) *lis pendens* and foreclosure notice recorded by BMO Harris Bank against Terrance M. McCay; 2) a Judicial Sales Deed conveyed by the Cook County Sheriff to BMO Harris Bank; 3) and a Special Warranty Deed conveyed by BMO Harris Bank to the appellant.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in March 2012 for \$170,000 is a "compulsory sale." The board of review's evidence disclosed the subject's sale was compulsory. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is

ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, when there was a recent sale of the subject, and that sale was compulsory, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. *See* 35 ILCS 200/16-183. The appellant did not submit sales comparables to show that the sale of the subject in March 2012 for \$170,000 was at its fair cash value. However, the board of review submitted four suggested sales comparables. The Board finds the best evidence of market value to be all of the board of review comparable sales. These comparables sold for prices ranging from \$123.01 to \$216.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$122.31 per square foot of living area including land, which is below the range established by the best comparable sales in this record. The sale of the subject for \$170,000, or \$90.38 per square foot of living area including land, falls below the range established by the best comparables in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
