

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harry Teehan Jr.
DOCKET NO.: 13-32467.001-C-1
PARCEL NO.: 31-06-203-024-1099

The parties of record before the Property Tax Appeal Board are Harry Teehan Jr., the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,202
IMPR.: \$8,798
TOTAL: \$10,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within a 16-year old, 116-unit, condominium complex. The property is located Rich Township, Cook County and is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a copy of the Real Property Transfer Tax Declaration and the warranty deed disclosing that the subject was purchased in March 2013 for \$100,000. The appellant also included 16 sale comparables of units within the subject's complex to support the subject's sale price along with a reduction for personal property. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,838 which reflects a market value of \$108,380 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted 17 sales comparables of units within the subject's complex. The board of review also makes a deduction for personal property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2013 for a price of \$100,000. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Moreover, the sale comparables submitted supports the subject's sale at market. However, the Board finds that a further reduction is not warranted. The Board finds that the parties failed to present any evidence that personal property was included in the sale. Therefore, the Board finds the subject had a market value of \$100,000. Since the market value of this parcel has been established, the Cook County Real Estate Classification Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
