

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Norbert Mika
DOCKET NO.: 13-32630.001-R-1
PARCEL NO.: 13-17-414-035-0000

The parties of record before the Property Tax Appeal Board are Norbert Mika, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,500
IMPR.: \$21,117
TOTAL: \$25,617

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 90 year-old, two-story dwelling of masonry construction containing 2,370 square feet of living area. Features of the home include a full unfinished basement and a one-car garage. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested comparable sales. The appellant requested a total assessment reduction to \$15,698 in his Petition but to \$21,040 in his brief.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,617. The subject's assessment reflects a market value of \$256,170, or \$108.09 per square foot of living area including land, when applying the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sales comparables.

In rebuttal, the appellant argued the Board should give no weight to the board of review's comparables because they were not in proximate location to the subject. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be all of the board of review comparable sales. These comparables sold for prices ranging from \$108.15 to \$127.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$108.09 per square foot of living area including land, which is below the range established by the best comparable sales in this record. The Board notes that the appellant did not submit information about the improvement square footage of his six comparables. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
