

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Avallone
DOCKET NO.: 13-33595.001-R-1
PARCEL NO.: 06-35-321-062-0000

The parties of record before the Property Tax Appeal Board are Diane Avallone, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,548
IMPR.: \$18,952
TOTAL: \$20,500

Subject only to the State multiplier as applicable.

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,030 square feet of living area.¹ The dwelling is approximately seven years old. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 2,739 square foot site and is located in Bartlett, Hanover Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal report. The appraisal estimates the subject property has a market value of \$205,000 as of January 1, 2012. The appraiser developed the cost and sales

comparison approach to value in arriving at the final opinion of value. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,016. The subject's assessment reflects a market value of \$240,160 or \$118.31 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, which occurred from July 2010 to July 2013, for prices ranging from \$240,500 to \$292,500 or from \$113.11 to \$150.12 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the January 1, 2012, appraisal submitted by the appellant, estimating the subject property had a market value of \$205,000. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board gave less weight to the board of review's comparables #1 and #4 due to their older sale dates in relation to the January 1, 2013, assessment date. The Board gave less weight to the board of review's comparable #3 due to its dissimilar location and larger dwelling size when compared to the subject property. The Board also gave less weight to comparable #2 submitted by the board of review due to the fact that one unadjusted comparable does not overcome the appellant's appraisal report that included three comparables that were adjusted by the appellant's appraiser and which the Board has reviewed and appears to be logical and reasonable. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
