

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 4806 N Seeley, LLC
DOCKET NO.: 13-33714.001-R-1
PARCEL NO.: 14-07-324-040-0000

The parties of record before the Property Tax Appeal Board are 4806 N Seeley, LLC, the appellant, by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,431
IMPR.: \$100
TOTAL: \$10,531

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant lot. The property has a 4,575 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-01 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal with respect to the subject's land assessment. In support of this argument the appellant submitted information on three equity comparables located within 11 blocks and with the same neighborhood assessment code as the subject property. The vacant lots range in size from 2,575 to 16,200 square feet of ground area and have land assessments ranging from \$5,471 to \$34,425 or from \$2.12 to \$2.60 per square foot of ground area. Based on this evidence, the appellant requested the total assessment be reduced to \$10,531.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,452. The subject property has a land assessment of \$12,352 or \$2.70 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same neighborhood assessment code as the subject property. The vacant lots have 3,050 or 4,575 square feet of ground area and have land assessments of \$7,930 or \$11,895 or \$2.60 square foot of ground area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted seven suggested equity comparables for the Board's consideration. These comparables had land assessments that ranged from \$2.12 to \$2.70 per square foot ground area. The subject's land assessment of \$2.70 per square foot of ground area falls above the range established by the comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's land assessment was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
