

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pat Patel
DOCKET NO.: 13-33760.001-R-1
PARCEL NO.: 07-27-211-070-0000

The parties of record before the Property Tax Appeal Board are Pat Patel, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,789
IMPR.: \$64,211
TOTAL: \$74,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 4,776 square feet of living area.¹ The dwelling was built in 2001. Features of the home include a partially finished full basement, central air conditioning, two fireplaces and a three-car garage. The property has a 19,579 square foot site and is located in Schaumburg, Schaumburg Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted two appraisal reports. The first appraisal estimates the subject property has a

market value of \$710,000 as of March 13, 2012. The second appraisal estimates the subject property has a market value of \$740,000 as of June 6, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,532. The subject's assessment reflects a market value of \$855,320 or \$179.09 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, which occurred from March 1, 2010 to March 1, 2013 for prices ranging from \$720,000 to \$935,000 or from \$163.20 to \$201.04 per square foot of living area including land.

Counsel for the appellant provided a written rebuttal critiquing the board of review's evidence or submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the June 2013 appraisal submitted by the appellant, estimating the subject property had a market value of \$740,000. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board gave less weight to the 2010 comparables submitted by the board of review due to their sale dates occurring greater than 25 months prior to the assessment date at issue. The Board also gave less weight to the remaining comparable submitted by the board of review due to the fact that one unadjusted comparable does not overcome the appellant's comparables that were adjusted by the appellant's appraiser. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
