

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Panatera  
DOCKET NO.: 13-34401.001-C-1  
PARCEL NO.: 17-33-120-022-0000

The parties of record before the Property Tax Appeal Board are Robert Panatera, the appellant(s), by attorney Marie V. Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,560  
**IMPR.:** \$0  
**TOTAL:** \$10,560

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a parcel of vacant land containing 3,520 square feet. The property is located in South Chicago Township, Cook County and is a Class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. On the face of the Residential Appeal petition, the appellant indicated a contention of law and a recent appraisal were also the bases of the appeal. In support of the assessment inequity argument, the appellant submitted information on five suggested equity comparables. The appellant did not submit a brief in support of a contention of law or an appraisal. The appellant requested a total assessment reduction to \$1,584, or \$.45 per square foot of land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,560, or \$3.00 per square foot of land. In support of its contention of the correct assessment, the board of review submitted information on five suggested sales comparables, four of which included assessment equity data.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted. The Board also finds the appellant did not submit a brief in support of a contention of law or an appraisal. Therefore, the Board finds no reduction in assessment is warranted regarding these issues.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #4 and #5, and the board of review's comparable #5. These comparables had assessments that ranged from \$.45 to \$4.87 per square foot of land. The subject's assessment of \$3.00 per square foot of land falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
