

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marian Gora
DOCKET NO.: 13-36012.001-R-1
PARCEL NO.: 13-26-214-067-0000

The parties of record before the Property Tax Appeal Board are Marian Gora, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,636
IMPR.: \$25,977
TOTAL: \$29,613

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2012 final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story two-unit apartment building of masonry construction with 3,668 square feet of living area. The building was 5 years old and features include a full basement with an apartment, central air conditioning and a detached 2.5-car garage. The property has a 3,030 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables range in age from 88 to 104 years old and range in building size from 3,588 to 3,798 square feet with garage amenities. The comparables have improvement assessments ranging from \$7.08 to \$8.40 per square foot of

building area. The subject property has an improvement assessment of \$46,521 or \$12.68 per square foot of building area.

Based on this evidence, the appellant requested a reduced improvement assessment of \$25,977 or \$7.08 per square foot of building area.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence pertaining to the uniformity of the subject's improvement assessment was submitted by the appellant. The appellant provided detailed data on four comparables. The appellant's evidence disclosed the subject had an improvement assessment of \$46,521 or \$12.68 per square foot of building area, which is above the improvement assessment on a per square foot basis of the comparables in the record submitted by the appellant.

The board of review did not submit any evidence in support of its assessment of the subject property or to refute the evidence presented by the appellant as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. The Board has examined the information submitted by the appellant and finds, based on this limited evidence that was not refuted, a reduction in the assessed valuation of the subject property's improvement assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
