

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Steadman
DOCKET NO.: 13-36064.001-R-1
PARCEL NO.: 19-24-101-005-0000

The parties of record before the Property Tax Appeal Board are David Steadman, the appellant(s), by attorney John P. Brady, of Thomas M. Tully & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,187
IMPR.: \$16,635
TOTAL: \$18,822

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story mixed-use building of masonry construction with 3,000 square feet of building area. It is 87 years old. The property has a 3,125 square foot site and is located in Lake Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. No evidence was submitted regarding the subject's owner-occupancy.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,822. The subject property has an improvement assessment of

\$16,635 or \$5.54 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 and the board of review's comparables. These comparables had improvement assessments that ranged from \$2.73 to \$6.47 per square foot of building area. The subject's improvement assessment of \$5.54 per square foot of building area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2012 tax year should be carried forward to the 2013 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2016 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2012 tax year. However, the record does not indicate that the subject property is not an owner-occupied dwelling as required by Section 16-185 of the Property Tax Code. (35

Docket No: 13-36064.001-R-1

ILCS 200/16-185) For this reason the Property Tax Appeal Board finds that a reduction in the subject's assessment on this basis is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
