

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chicago Opportunity 5 LLC  
DOCKET NO.: 13-36278.001-R-1  
PARCEL NO.: 25-33-113-051-0000

The parties of record before the Property Tax Appeal Board are Chicago Opportunity 5 LLC, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,062  
**IMPR.:** \$2,238  
**TOTAL:** \$4,300

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story, single-family dwelling of masonry construction with 743 square feet of living area. The dwelling was constructed in 1948. The property has a 4,920 square foot site and is located in Chicago, Lake Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on February 2, 2012 for \$32,000. This evidence included copies of the settlement statement and an affidavit. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed the closing date, sale price, that the parties to the transaction were not related, the seller's mortgage was not assumed, and that the subject was advertised for sale for 20 days on the MLS with a realtor. The appellant's pleadings also state that the appellant spent \$10,000 on renovation costs prior to occupying the subject in

September 2012. The evidence does not state that the subject is owner occupied. Lastly, the appellant also submitted a 2012 PTAB decision.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$9,507 was disclosed. The subject's assessment reflects a market value of \$95,070 or \$127.95 per square foot of living area when applying the 2013 level of assessment for class 2-02 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%. Lastly, the board of review submitted a brief stating that the subject does not meet the criteria and qualify for a rollover.

At hearing, the appellant's attorney confirmed the sale of the subject in February 2012 and reviewed the evidence previously submitted. The board of review rested on the evidence.

### **Conclusion of Law**

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook County. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago County. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2012 for \$23,000 plus \$10,000 in renovation costs. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction including disclosing that the parties to the transaction were not related and that it was advertised for sale on the open market with a realtor. In further support of the transaction, the appellant submitted copies of the settlement statement. Based on this record, the Board finds the subject property had a market value of \$43,000 as of January 1, 2013. Since market value has been determined, the level of assessments for class 2-02 residential property of 10.00% shall apply as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
