

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luke Johnson
DOCKET NO.: 14-00236.001-R-1
PARCEL NO.: 03-02-21-213-013

The parties of record before the Property Tax Appeal Board are Luke Johnson, the appellant; and the Kankakee County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Kankakee** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,602
IMPR.: \$38,635
TOTAL: \$50,237

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kankakee County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame and masonry construction with 1,152 square feet of living area.¹ The dwelling was constructed in 1978. Features of the home include a 648 square foot lower level, central air conditioning, a fireplace and a two-car garage. The property has an 11,428 square foot site and is located in Manteno, Manteno Township, Kankakee County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$141,000 as of December 31, 2013.

¹ The board of review reported the subject's size of 1,800 square feet of living area. The appellant's appraiser provided a schematic diagram in support of the claim that the subject contains 1,152 square feet of living area, which the Board finds is better supported.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,084. The subject's assessment reflects a market value of \$162,074 or \$140.69 per square foot of living area, land included, when using the 2014 three year average median level of assessment for Kankakee County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis of eight comparable sales. The comparables sold from December 2012 to October 2013 for prices ranging from \$135,000 to \$176,000 or from \$92.11 to \$122.22 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's unadjusted sale comparable #2 and #4 and board of review comparables sale #1 and #6. The Board gave less weight to the final value conclusion found in the appellant's appraisal because various adjustments for age, land size and improvement size were not made and/or were inconsistent. The remaining sales were also given less weight because they were dissimilar to the subject in age, size and/or basement foundation.

The subject's assessment reflects a market value of \$140.69 per square foot of living area, which is above the most similar comparables in this record, which ranged from \$93.04 to \$132.74 per square foot of living area. Based on the most similar comparables in this record, the Board finds the subject's assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
