

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 1st Property Investments, LLC
DOCKET NO.: 14-00370.001-R-1
PARCEL NO.: 11-10-279-001

The parties of record before the Property Tax Appeal Board are 1st Property Investments, LLC, the appellant, by attorney James E. Tuneberg, of Guyer & Enichen in Rockford; and the Winnebago County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Winnebago** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,873
IMPR.: \$13,567
TOTAL: \$17,440

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Winnebago County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,468 square feet of living area. The dwelling was constructed in 1960. Features of the home include a full, partially finished basement, central air conditioning and a 528 square foot garage. The property has a 7,470 square foot site and is located in Rockford, Rockford Township, Winnebago County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$44,000 as of January 1, 2014.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,440. The subject's assessment reflects a market value of \$52,325 or \$35.64 per square foot of living area, land included, when using the 2014 three year

average median level of assessment for Winnebago County of 33.33% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales along with a spreadsheet of all ranch style sales located in the subject's neighborhood. The four comparable sales sold from September 2013 to March 2014 for prices ranging from \$44.57 to \$52.67 per square foot of living area, including land.

The appellant submitted rebuttal evidence arguing the board of review's sales represent the upper range of market value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales. The board of review comparable sales sold for prices ranging from \$44.57 to \$52.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$52,325 or \$35.64 per square foot of living area, including land, which is below the range established by the best comparable sales in the record. Less weight was given the final opinion of value found in the appraisal because the Board finds the appraiser made relatively low adjustments to the comparables for differences in square footage without supporting documentation to justify a \$10 per square foot adjustment. This issue was raised by the board of review, but was not refuted by the appellant. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
