

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bob Fredericks  
DOCKET NO.: 14-00541.001-R-1  
PARCEL NO.: 14-27-330-022

The parties of record before the Property Tax Appeal Board are Bob Fredericks, the appellant, by Clyde B. Hendricks, Attorney at Law in Peoria; and the Peoria County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Peoria** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,070  
**IMPR.:** \$14,900  
**TOTAL:** \$18,970

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Peoria County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 759 square feet of living area. The dwelling was constructed in 1947. Features of the home include a full basement, central air conditioning and a 308 square foot garage. The property has a 0.18 acre site and is located in Peoria, Richwoods Township, Peoria County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on September 27, 2012 for a price of \$25,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,970. The subject's assessment reflects a market value of \$57,001 or \$75.10 per square foot of living area, land included, when using the 2014 three year

average median level of assessment for Peoria County of 33.28% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that sold from March 2013 to September 2014 for prices ranging from \$23,000 to \$67,500 or from \$28.82 to \$84.16 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$28.82 to \$84.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$75.10 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. The board of review's comparables sales were much closer to the assessment date than was the subject's purchase date. The Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
