

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Graham  
DOCKET NO.: 14-00914.001-R-2  
PARCEL NO.: 16-04-103-001

The parties of record before the Property Tax Appeal Board are Robert Graham, the appellant, by attorney Margaret E. Graham of McCracken, Walsh & de LaVan, in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$252,836  
**IMPR.:** \$630,871  
**TOTAL:** \$883,707

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an owner occupied residential property located in West Deerfield Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board arguing the subject property was inequitably assessed and overvalued. In support of these claims, the appellant submitted sales and assessment information for ten comparable properties. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$883,707 was disclosed. The board of review's evidence disclosed the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the 2011 tax year under Docket Number 11-04376.001-R-3.

In that appeal, the Property Tax Appeal Board issued a decision lowering the subject's assessment to \$939,785 based on an agreement by the parties that was supported by the evidence in the record. The board of review's evidence shows tax year 2011 was the beginning of the quadrennial general assessment period and township equalization factors of .9530, .9780, and 1.0089 were issued for tax years 2012, 2013 and 2014. The board of review argued it applied the subsequent year's township equalization factors to the Property Tax Appeal Board's 2011 decision of \$939,785 resulting in a final assessment of \$883,707 for the 2014 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The Property Tax Appeal Board finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185). The subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2011 tax year under Docket Number 11-04376.001-R-3. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$939,785 based on the evidence and an agreement between the parties. The evidence further indicates the subject property is an owner occupied residential property.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

Based on this controlling statutory language, the Board finds its 2014 decision shall be carried forward to the subsequent assessment year(s) of the same general assessment period plus application of any equalization factor. The record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. The Board finds the subject's final assessment for the 2014 assessment year, as determined by the board of review, follows the statutory provisions outlined in section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). ( $\$939,785 \times .9530 \times .9780 \times 1.0089 = \$883,707$ ). Therefore, the Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
