

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffery Holmes
DOCKET NO.: 14-00939.001-R-1
PARCEL NO.: 16-06-101-007

The parties of record before the Property Tax Appeal Board are Jeffery Holmes, the appellant, by attorney Andrew J. Rukavina of The Tax Appeal Company, in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$134,977
IMPR.: \$165,023
TOTAL: \$300,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story brick dwelling that contains 3,376 square feet of living area. The dwelling was constructed in 1997. Features include a full finished basement, central air conditioning, a fireplace and a three-car garage. The subject property has a 33,106 square foot site. The subject property is located in West Deerfield Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal of the subject property estimating a market value of \$900,000 as of January 1, 2014. The appraiser developed the sales comparison approach to value in arriving at the final opinion of value. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$376,094 was disclosed. The subject's assessment reflects an estimated market value of \$1,128,733 when applying Lake County's 2014 three-year average median level of assessment of 33.32%. 86 Ill.Admin.Code §1910.50(c)(1). The board of review did not timely submit any evidence to support its assessment of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof.

The appellant submitted an appraisal estimating the subject property had a market value of \$900,000 as of January 1, 2014. The board of review did not timely submit evidence to support its assessment of the subject property. The Board finds the appellant submitted the best and only evidence of the subject's market value. The subject's assessment reflects an estimated market value of \$1,128,733, which is greater than the appraisal submitted by the appellant. Therefore, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
