

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Riley
DOCKET NO.: 14-00943.001-R-1
PARCEL NO.: 12-03-481-003

The parties of record before the Property Tax Appeal Board are James Riley, the appellant, by Laura Godek of Laura Moore Godek, PC in McHenry, and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Kane County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,024
IMPR: \$98,396
TOTAL: \$133,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of brick construction with approximately 2,607 square feet of living area. The dwelling was constructed in 1913. Features of the home include a partial basement with finished area with a walkout-feature that was added in 1994. The home also features central air conditioning and a two-car garage. The property has a 10,500 square foot site and is located in Geneva, Geneva Township, Kane County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-02099.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering

the assessment of the subject property to \$133,420 based on the evidence submitted by the parties. The appellant submitted the same appraisal report of the subject property for this 2014 appeal to demonstrate the subject was overvalued. The appraisal report asserts that the appellant is an owner of record and an occupant of the subject dwelling.

The Board takes notice that 2013 and 2014 are in the same general assessment period in Kane County. (86 Ill.Admin.Code §1910.90(i) and 35 ILCS 200/9-215).

Based on this evidence, the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,554. The subject's assessment reflects a market value of \$497,309 or \$190.76 per square foot of living area, land included, when using the 2014 three year average median level of assessment for Kane County of 33.29% as determined by the Illinois Department of Revenue.

At the request of the Property Tax Appeal Board, the Kane County Chief County Assessment Officer, Mark Armstrong, confirmed that a 2014 township equalization factor of 1.0000 was applied in Geneva Township. (See 86 Ill.Admin.Code §1910.67(k)(3))

The board of review's submission included a property record card for the subject property indicating the "billing information" was addressed to the appellant at the address of the property in this appeal.

In support of its contention of the correct assessment the board of review submitted information prepared by the township assessor on three comparable sales. Based on this evidence and argument, the board of review requested confirmation of the subject's assessment.

In written rebuttal, appellant noted that at the time of filing a prior 2013 appeal was still pending with the Property Tax Appeal Board. Counsel also outlined differences between the subject property and the board of review's comparable properties.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-02099.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$133,420 based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the prior year's decision should be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and the fact that 2013 and 2014 are within the same general assessment period in Kane County. The record contains no evidence indicating that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of the equalization factor of 1.0000.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
