

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arkady Kantor
DOCKET NO.: 14-01199.001-R-1
PARCEL NO.: 15-20-404-012

The parties of record before the Property Tax Appeal Board are Arkady Kantor, the appellant, by attorney Herbert Holzman, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,501
IMPR.: \$102,776
TOTAL: \$141,277

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,517 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning and a two-car garage that contains 420 square feet of building area. The property has a 14,872 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located in the same neighborhood and from .04 to .63 of a mile from the subject property. The comparables are improved with two-story single family dwellings and have varying degrees of similarity when compared to the subject. The dwellings each contain 2,517 square feet of living area and have improvement assessments ranging from \$83,326 to \$95,209

or from \$33.11 to \$37.83 per square foot of living area. The appellant requested the total assessment be reduced to \$134,986.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,277. The subject property has an improvement assessment of \$102,776 or \$40.83 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on eight equity comparables located in the same neighborhood and from .05 to 1.05 miles from the subject property. The comparables are improved with two-story single family dwellings and have varying degrees of similarity when compared to the subject. The dwellings each contain 2,517 square feet of living area and have improvement assessments ranging from \$101,851 to \$110,084 or from \$40.47 to \$43.74 per square foot of living area. The board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 14 equity comparables for the Board's consideration. These comparables were identical in dwelling size and have varying degrees of similarity when compared to the subject in location, age and features. The comparables had improvement assessments ranging from \$83,326 to \$110,084 or from \$33.11 to \$43.74 per square foot of living area. The subject's improvement assessment of \$102,776 or \$40.83 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
