

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred Berrens
DOCKET NO.: 14-01436.001-R-1
PARCEL NO.: 09-11-107-029

The parties of record before the Property Tax Appeal Board are Fred Berrens, the appellant, by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,491
IMPR.: \$57,088
TOTAL: \$75,579

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,405 square feet of living area. The dwelling was constructed in 2009. Features of the home include a full unfinished basement, central air conditioning and a 462 square foot garage. The property has a 7,632 square foot site and is located in Volo, Wauconda Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within .one block of the subject property. The comparables consist of two-story dwellings of frame exterior construction that are approximately 5 and 8 years old. The comparables had varying degrees of similarity when compared to the subject. The dwellings contain 2,415 and 2,431 square feet of living area and have improvement assessments ranging from \$46,028 to \$48,649 or from \$19.06

to \$20.14 per square foot of living area. Based on this evidence, the appellant requested the total assessment be reduced to \$65,918.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,579. The subject property has an improvement assessment of \$57,088 or \$23.74 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on eight equity comparables located within .16 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction that were built from 2007 to 2010. The comparables had varying degrees of similarity when compared to the subject. The dwellings each contain 2,405 square feet of living area and have improvement assessments ranging from \$56,662 to \$62,648 or from \$23.56 to \$26.05 per square foot of living area. Based on this evidence, the board of review requested confirmation.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 11 equity assessment comparables for the Board's consideration. These comparables have varying degrees of similarity when compared to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$46,028 to \$62,648 or from \$19.06 to \$26.05 per square foot of living area. The subject property has an improvement assessment of \$57,088 or \$23.74 per square foot of living area, which falls within the range established by the comparables contained in the record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
