

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Schiesel
DOCKET NO.: 14-02282.001-R-1
PARCEL NO.: 13-24-305-003

The parties of record before the Property Tax Appeal Board are Karen Schiesel, the appellant; and the Peoria County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Peoria** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,990
IMPR.: \$120,786
TOTAL: \$139,776

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Peoria County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of brick and frame construction with approximately 2,938 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full, partially finished basement, central air conditioning, a fireplace and a 1,077 square foot garage. The property has a 0.37 acre site and is located in Peoria, City of Peoria Township, Peoria County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables sold from May 2013 to August 2013 for prices ranging from \$282,500 to \$340,000 or from \$108.13 to \$129.05 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,120. The subject's assessment reflects a market value of

\$451,082 or \$153.64 per square foot of living area, land included, when using the 2014 three year average median level of assessment for Peoria County of 33.28% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from March 2013 to May 2014 for prices ranging from \$388,000 to \$470,000 or from \$142.94 to \$152.46 per square foot of living area, including land.

In rebuttal, the appellant submitted additional sales comparables. Section 1910.66(c) of the Property Tax Appeal Board Rules (86 Ill. Adm. Code 1910.66(c)) states in relevant part:

Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence.

Therefore, the Property Tax Appeal Board will not consider the rebuttal evidence submitted by the appellant in this decision.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3 and the board of review's comparable sales. These most similar comparables sold for prices ranging from \$108.13 to \$152.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$153.64 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
