

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary & Linda Chronister/Qik-n-Ez
DOCKET NO.: 14-02788.001-C-1
PARCEL NO.: 22-10.0-454-043

The parties of record before the Property Tax Appeal Board are Gary & Linda Chronister/Qik-n-Ez, the appellants, by Robert W. McQuellon III, Attorney at Law, in Peoria; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 90,230
IMPR.: \$101,437
TOTAL: \$191,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story building of masonry exterior construction that has 5,262 square feet of building area. The age of the building was not disclosed. The subject has a 54,014 square foot site. The subject is used as a service station and convenience store. The subject property is located in Woodside Township, Sangamon County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellants submitted three comparable sales located throughout the state. The comparables had varying degrees of similarity when compared to the subject. The comparables sold from April 2011 to June 2013 for prices ranging from \$375,000 to \$760,000 or from \$110.98 to \$133.33 per square foot of building area including land. Based on this evidence, the appellants requested a reduction in the subject's assessment to \$191,667, which reflects an estimated market value of approximately \$575,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's equalized assessment of \$248,603. The subject's assessment reflects an estimated market value of \$746,603 or \$141.79 per square foot of building area including land when applying the 2014 three-year average median level of assessment for Sangamon County of 33.32%. The board of review did not submit any evidence to support its assessment of the subject property or refute the valuation evidence submitted by the appellants.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The appellants submitted three comparable sales that had varying degrees of similarity when compared to the subject. The comparables sold from April 2011 to June 2013 for prices ranging from \$375,000 to \$760,000 or from \$110.98 to \$133.33 per square foot of building area including land. The board of review did not submit any evidence to support its assessment of the subject property or refute the valuation evidence submitted by the appellants. The subject's assessment reflects an estimated market value of \$746,603 or \$141.79 per square foot of building area including land, which is greater than the comparable sales submitted by the appellant on a per square foot basis. Based on the evidence contained in this record, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellants' request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
