

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aroon Pal
DOCKET NO.: 14-03213.001-R-1
PARCEL NO.: 09-24-401-036

The parties of record before the Property Tax Appeal Board are Aroon Pal, the appellant, by attorney Thomas J. Thorson, of Raila & Associates, P.C. in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$97,320
IMPR.: \$194,680
TOTAL: \$292,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part two-story dwelling of frame construction with 4,286 square feet of living area. The dwelling was constructed in 2000. Features of the home include a full basement, central air conditioning, a fireplace and a 758 square foot garage. The property has a 13,717 square foot site and is located in Burr Ridge, Downers Grove Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables.¹ The comparables had improvement assessments ranging from \$89,200 to \$159,840 or from \$21.19 to \$41.77 per square foot of living area.

¹ The second grid analysis contained two comparables that were also used on the first grid analysis.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$292,000. The subject property has an improvement assessment of \$194,680 or \$45.42 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The comparables had improvement assessments ranging from \$192,400 to \$208,350 or from \$46.33 to \$50.46 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds both parties submitted comparables very similar to the subject property in most respects. The comparables in this record had improvement assessments ranging from \$21.19 to \$50.46 per square foot of living area. The subject's improvement assessment of \$45.42 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
