

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael and Lora Crocker
DOCKET NO.: 14-03380.001-R-1
PARCEL NO.: 34-12.0-152-007

The parties of record before the Property Tax Appeal Board are Michael and Lora Crocker, the appellants, and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,898
IMPR.: \$78,968
TOTAL: \$89,866

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story single family dwelling of brick and vinyl exterior construction with 2,900 square feet of living area. The dwelling was constructed in 2004. Features of the home include a full basement that is partially finished, central air conditioning and a two-car attached garage. The property has a 4.24 acre site and is located in Auburn, Auburn Township, Sangamon County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted an appraisal estimating the subject property had a market value of \$240,000 as of April 7, 2015.

The evidence further revealed that the appellants filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor issued by the board of review. The board of review applied a township equalization factor of 1.034 increasing the subject's assessment from \$89,866 to \$92,922. The assessment notice submitted by the appellants indicated the subject's total assessment reflects a market value of \$278,766. Based on this evidence the appellants requested the subject's total assessment be reduced to \$80,000 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellants estimating the subject property had a market value of \$240,000. The subject's assessment reflects a market value of \$278,766, which is above the only evidence of market value in the record. However, the record indicates that the appellants appealed the assessment directly to the Property Tax Appeal Board based on notice of an equalization factor issued by the board of review. Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of

property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999).

Furthermore, the board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellants' evidence as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and finds the board of review to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)).

Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
