

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert and Lenee Kresse  
DOCKET NO.: 14-03381.001-R-1  
PARCEL NO.: 08-16.0-400-011

The parties of record before the Property Tax Appeal Board are Robert and Lenee Kresse, the appellants; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,520  
**IMPR.:** \$67,827  
**TOTAL:** \$79,347

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,711 square feet of living area. The dwelling was constructed in 2012. Features of the home include a full unfinished basement, central air conditioning and a 2-car garage. The property has a 174,240 square foot site and is located in Buffalo Hart, Buffalo Hart Township, Sangamon County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that sold from October 2012 to June 2014 for prices ranging from \$182,000 to \$298,000 or from \$84.61 to \$131.39 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,743. The subject's assessment reflects a market value of \$245,324 or \$143.38 per square foot of living area, land included, when using the 2014 three

year average median level of assessment for Sangamon County of 33.32% as determined by the Illinois Department of Revenue.

The board of review did not submit evidence in support of its contention of the correct assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record is the appellants' comparable sales. These comparables sold for prices ranging from \$84.61 to \$131.39 per square foot of living area, including land. The subject's assessment reflects a market value of \$143.38 per square foot of living area, including land, which is above the range established by the comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
