

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Mayber
DOCKET NO.: 14-03479.001-R-1
PARCEL NO.: 16-34-302-007

The parties of record before the Property Tax Appeal Board are David Mayber, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,465
IMPR.: \$99,381
TOTAL: \$178,846

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story brick dwelling built in 1967. The subject contains 2,940 square feet of living area and features a full basement and a fireplace. The subject has a 462 square foot garage. The property is located in Deerfield, Moriane Township, Lake County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 13-00748.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$179,889 based on the evidence submitted by the parties. The appellant's attorney asserted that 2013 and 2014 were within the same general assessment period for residential property.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$189,662 was disclosed. The board of review submitted a letter from the Clerk of the board of review indicating a 2014 equalization factor of 0.9942 was applied to the subject's 2013 Property Tax Appeal Board Decision assessment of \$179,889 to arrive at a 2014 assessment of \$178,846. This amount was incorrectly disclosed on the board of review's "Notes on Appeal."

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2013 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2013 and 2014 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor 0.9942.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
