

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Bloomquist
DOCKET NO.: 14-03641.001-R-1
PARCEL NO.: 07-33-305-013

The parties of record before the Property Tax Appeal Board are Thomas Bloomquist, the appellant, by attorney Margaret E. Graham, of McCracken, Walsh & de LaVan, in Chicago, and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,610
IMPR.: \$148,970
TOTAL: \$182,580

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story single family dwelling of frame and brick construction with 4,148 square feet of living area. The dwelling was constructed in 1988. Features of the home include a 1,395 square foot basement that is finished, central air conditioning, one fireplace and a three-car attached garage. The property has a 13,633 square foot site and is located in Naperville, Naperville Township, DuPage County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-03480.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$183,840 based on the evidence submitted by the

parties. The appellant submitted six equity comparables for this 2014 appeal to demonstrate the subject was inequitably assessed.

The Board takes notice that 2013 and 2014 are in the same general assessment period in DuPage County. (86 Ill.Admin.Code §1910.90(i) and 35 ILCS 200/9-215).

Based on this evidence, the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,660. As part of the board of review's submission, it was reported that properties in Naperville Township had an equalization factor of .99310 applied in 2014.

In support of its contention of the correct assessment the board of review submitted information on six equity comparables. Based on this evidence and argument, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-03480.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$183,840 based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the prior year's decision should be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and the fact that 2013 and 2014 are within the same general assessment period in DuPage County. The record contains no evidence indicating that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of the equalization factor of 0.99310.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
