

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eddy & Katherine Ramos  
DOCKET NO.: 14-03912.001-R-1  
PARCEL NO.: 06-13-377-035

The parties of record before the Property Tax Appeal Board are Eddy & Katherine Ramos, the appellants, by Jessica Hill-Magiera, Attorney at Law, in Lake Zurich, and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,229  
**IMPR.:** \$35,933  
**TOTAL:** \$44,162

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a 2013 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 2,708 square feet of living area. The dwelling was constructed in 2004. Features of the home include a partial unfinished basement, central air conditioning and an integral 564 square foot garage. The property has a .12-acre site and is located in Elgin, Elgin Township, Kane County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-02379.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$44,162 based on the evidence submitted by the parties. The appellants based this appeal on a contention of law and asserted that the subject property is owner occupied such that, in accordance with Section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the 2013 assessment determination of the Property Tax Appeal Board should be carried forward

to tax year 2014 as both 2013 and 2014 are in the same general assessment cycle in Kane County. (See 35 ILCS 200/9-215).

Based on this evidence, the appellants requested a reduction in the subject's assessment to \$44,162.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,180. The subject's assessment reflects a market value of approximately \$147,555 or \$54.49 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In response to the appeal, the board of review submitted a memorandum prepared by the Elgin Township Assessor's Office. The assessor prepared a memorandum arguing that area sales along with the age, condition of the subject property and short sale nature of the 2012 transaction, should result in confirming the subject's 2014 assessment "to keep uniformity among the subject and its neighbors to ensure the tax burden is distributed proportionately." The assessor also submitted a copy of the Multiple Listing Service (MLS) data sheet concerning the April 2012 sale of the subject property for \$132,500 along with additional interior photographs to purportedly depict the "great condition" of the home.

The township assessor also submitted a copy of the subject's property record card which depicts the address of the subject property and that the "billing" address is the same as the subject property while also naming the appellants as the persons to be billed.

Lastly, the assessor submitted a grid analysis of four comparable sales located within one mile of the subject property. The comparables consist of two-story frame dwellings that were built between 1872 and 2006. The homes range in size from 2,304 to 2,662 square feet of living area. Each comparable has a full or partial basement. Three comparables have central air conditioning and three comparables have one or two fireplaces in each home. The comparables also have garages ranging in size from 484 to 768 square feet of building area. The comparable parcels range in size from 4,350 to 26,784 square feet of land area. The properties sold between March 2013 and September 2013 for prices ranging from \$165,000 to \$180,000 or from \$61.98 to \$77.04 per square foot of living area, including land.

The assessor concluded the memorandum with the following statement:

Given the property was purchased as a short sale but is habitable, combined with strong sales evidence, the assessor's office does not feel a 'rollover' in the 2013 PTAB decision is warranted.

Based on this evidence and argument, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellants noted that the board of review did not dispute the appellants' contention that the subject is owner-occupied residential real estate subject to application of Section 16-185 of the Property Tax Code (35 ILCS 200/16-185).

**Conclusion of Law**

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 13-02379.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$44,162 based on the evidence submitted by the parties.

The appellants' appeal is based upon a contention of law with citation to a single provision of the Code. Section 10-15 of the Illinois Administrative Procedure Act (5-ILCS 100/10-15) provides:

Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.

The rules of the Property Tax Appeal Board are silent with respect to the burden of proof associated with an argument founded on a contention of law. See 86 Ill.Admin.Code §1910.63. The appellants in this appeal have relied upon Section 16-185 of the Code (35 ILCS 200/16-185) which provides in pertinent part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, **shall** remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. [Emphasis added.]

The board of review did not dispute that the subject property is an owner occupied dwelling. The Board finds on this record that the prior year's decision should be carried forward to the subsequent year pursuant to section 16-185 of the Code (35 ILCS 200/16-185) and the fact that 2013 and 2014 are within the same general assessment period in Kane County. The record contains no evidence indicating that the assessment year in question is in a different general assessment period. The record also contains no evidence indicating that the subject property sold subsequent to the 2013 tax year determination in an arm's length transaction. Moreover, in light of the terms of Section 16-185 of the Code, the Board has given no consideration to the comparable sales data submitted by the assessing officials.

For these reasons and due to the provisions of Section 16-185 of the Code, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted commensurate with the appellants' request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
