

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald O. Johnson
DOCKET NO.: 14-20810.001-R-1
PARCEL NO.: 15-36-106-026-0000

The parties of record before the Property Tax Appeal Board are Donald O. Johnson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 12,328
IMPR.: \$ 33,847
TOTAL: \$ 46,175

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a two-story dwelling of frame construction with 4,662 square feet of living area. The dwelling was constructed in 1890. Features of the home include a full basement and two fireplaces. Improvement #2 is a two-story dwelling of frame construction with 1,112 square feet of living area. The dwelling was constructed in 1890. Features of the home include one fireplace and one bath.

The improvements are located on a 16,438 square foot site in Riverside Township, Cook County. Both of the improvements are class 2 properties under the Cook County Real Property Assessment Classification Ordinance. In support of the contention that the subject is overvalued, the appellant submitted an appraisal that estimated the subject's market value was \$465,000 as of May 20, 2013. The appellant also submitted photos, a letter from the Village of Riverside stating the coach house is uninhabitable.

In rebuttal, the appellant submitted a letter describing how the board of review's comparables should be disregarded since they are not comparable to the subject property.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$49,999 was disclosed. The board of review submitted a four equity comparables for each of the two subject improvements.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$465,000 as of the assessment date at issue. Since market value has been established the 2014 three year average median level of assessment for class 2 property of 9.93% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
