

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bradley Hampson  
DOCKET NO.: 14-20839.001-R-1  
PARCEL NO.: 15-11-404-025-0000

The parties of record before the Property Tax Appeal Board are Bradley Hampson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,755  
**IMPR.:** \$ 35,934  
**TOTAL:** \$ 42,689

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with of masonry construction. The dwelling was constructed in 1950. Features of the home include a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 9,650 square foot site and is located in River Forest Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$430,000 as of April 12, 2013. The appraisal indicates the subject contains 2,422 square feet of living area. In further support of the overvaluation argument, the appellant submitted four sale comparables, two of which are the same comparable properties as are listed in the appellant's appraisal. Lastly, the appellant submitted color photos and a settlement statement. The settlement statement indicates the subject was purchased on June 5, 2013 for a price of \$429,900.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,739. The subject's assessment reflects a market value of \$490,825 or \$202.65 per square foot of living area, including land, when applying the 2014 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.93% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's grid sheet indicates the subject sold in June 2013 for a price of \$429,900.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the June 2013 sale of the subject property for a price of \$429,900. Both parties submitted evidence of this sale. In addition, the appellant's appraisal supports this sale price. The Board finds the subject property had a market value of \$429,900 as of the assessment date at issue. Since market value has been established the 2014 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.93% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
