

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chotirot Raweesri
DOCKET NO.: 14-20853.001-R-1
PARCEL NO.: 16-32-320-056-0000

The parties of record before the Property Tax Appeal Board are Chotirot Raweesri, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,528
IMPR.: \$1,662
TOTAL: \$5,190

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 93-year-old, one-story dwelling with 1,000 square feet of living area of frame construction. The subject has a 5,040 square foot site and is located in Cicero Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on September 13, 2013 for a price of \$51,900. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,218. The subject's assessment reflects a market value of \$92,180

when using the 2014 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each property.

In written rebuttal, appellant's attorney distinguished the board of review's suggested comparables sales. In addition, counsel argued the subject's 2013 sale is the best evidence of market value in the record.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September, 2013 for a price of \$51,900. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$51,900 as of January 1, 2014. Since market value has been determined the 2014 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
