

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sepehr Sani
DOCKET NO.: 14-20995.001-R-1
PARCEL NO.: 14-28-318-090-1010

The parties of record before the Property Tax Appeal Board are Sepehr Sani, the appellant(s), by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,328
IMPR.: \$ 11,182
TOTAL: \$ 14,510

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a condominium unit with a 5.317% ownership interest in the common elements. The property is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 25, 2012 for a price of \$145,100. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,701. The subject's assessment reflects a market value of \$217,010 when applying the 2014 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted a memorandum, which shows that five units in the subject's building, or 22.774% of ownership, sold from April 2010 to May 2014 for an aggregate price of \$978,500. A 5.00% reduction for personal property was subtracted from the aggregate sale price, and then divided by the percentage of interest of the units sold to arrive at a total market value for the building of \$4,081,737. The subject's percentage of ownership was then utilized to arrive at a market value for the subject of \$217,026.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2012 for a price of \$145,100. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, that the property was sold using a Realtor, and that it was advertised for sale on the open market with a listing on the MLS for approximately 222 days. In support of the transaction, the appellant submitted a printout from coldwellbankeronline.com and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$145,100 as of January 1, 2014. Since market value has been determined the 2014 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
