

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DIN Fund III, LLC
DOCKET NO.: 14-21076.001-R-1
PARCEL NO.: 16-21-421-040-0000

The parties of record before the Property Tax Appeal Board are DIN Fund III, LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,512
IMPR.: \$11,519
TOTAL: \$14,031

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 53-year-old, two-story building of masonry construction with 2,946 square feet of building area. The property has a 3,350 square foot site and is located in Cicero Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 1, 2013 for a price of \$75,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,031. The subject's assessment reflects a market value of

\$140,310 or \$47.63 per square foot of building area, land included, when using the 2014 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested comparable sales. Those comparables sold between February, 2011 and December, 2013 and ranged in sale price from \$54.42 to \$61.31 per square foot of building area. In addition, the board of review submitted a brief arguing the subject's 2014 sale was compulsory and not reflective of the market value. In support of this argument, the board of review submitted a deed trail.

In written rebuttal, appellant's attorney submitted a brief addressing the board of review's evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. Based on the deed trail, the appellant's recent sale is found to be a compulsory sale.

A "compulsory sale" is defined as

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) (citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211, 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sales of comparable properties which were submitted by the parties. In considering the compulsory sale of the subject property, the Board looks to both the appellant's evidence and the board of review's comparables. The Board finds that the appellant failed to submit any comparable properties and the board of review submitted four comparable properties. The Board finds that the subject's 2013 sale at \$25.46 per square foot of building area falls substantially below the sales comparables in the record. Therefore, the Board finds the subject's 2013 sale is not reflective of the market value. Conversely, the subject's assessment at \$47.63 reflects a market value slightly below the range of the comparables. Based on this evidence, the Board finds that the appellant failed to meet its burden of proof and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
