

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael & Doreen Rothstein
DOCKET NO.: 14-21401.001-R-1
PARCEL NO.: 05-34-100-011-0000

The parties of record before the Property Tax Appeal Board are Michael & Doreen Rothstein, the appellant(s), by attorney Robert S. Vihon, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,152
IMPR.: \$80,348
TOTAL: \$99,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains a nine year-old, two-story dwelling of masonry construction containing 4,202 square feet of living area. Features of the home include a full finished basement containing a recreation room, central air conditioning, two fireplaces and a two-car garage. The property has a 13,680 square foot site and is located in New Trier Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted an appraisal estimating the subject property had a market value of \$995,000 as of January 1, 2013. The appraisal disclosed the subject was occupied by the owner. The appellants requested a total assessment reduction to \$99,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,159. The subject's assessment reflects a market value of \$1,121,590 when applying the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables, one of which included unadjusted sale data.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellants. The Board finds the owner-occupied subject property had a market value of \$995,000 as of the assessment date at issue. Since market value has been established, the 2014 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
