

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luke Blahnik  
DOCKET NO.: 14-21875.001-R-1  
PARCEL NO.: 11-30-312-001-0000

The parties of record before the Property Tax Appeal Board are Luke Blahnik, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,992  
**IMPR.:** \$16,008  
**TOTAL:** \$21,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 94-year-old, three-story, four-unit residential building of masonry construction with 4,876 square feet of building area. The property has a 3,120 square foot site and is located in Rogers Park Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 17, 2011 for a price of \$210,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,574. The subject's assessment reflects a market value of

\$265,740 when using the 2014 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each property.

In written rebuttal, appellant's attorney argued the board of review failed to dispute the arm's length nature of the subject's 2011 purchase. In addition, counsel distinguished the board of review's suggested comparables from the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June, 2011 for a price of \$210,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$210,000 as of January 1, 2014. Since market value has been determined the 2014 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
