

**FINAL ADMINISTRATIVE DECISION

APPELLANT: Roger Stone
DOCKET NO.: 14-22071.001-R-1
PARCEL NO.: 05-06-200-002-0000

The parties of record before the Property Tax Appeal Board are Roger Stone, the appellant(s), by attorney David Lavin, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$196,628
IMPR.: \$182,909
TOTAL: \$379,537

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of two improvements situated on one parcel. Improvement #1 is a two-story dwelling of masonry construction and is 87 years old with 8,254 square feet of living area. Features include a partial basement with a finished recreation room, a full attic with living area, central air conditioning, four fireplaces and a two-car attached garage. Improvement #2 is a two-story single-family dwelling of masonry construction and is 87 years old with 1,688 square feet of living area. Features include a crawl space foundation, central air conditioning, a fireplace and a 1.5-car attached garage. The appellant is appealing Improvement #1. The property has a 128,937 square foot site and is located in Glencoe, New Trier Township, Cook County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 13-21941.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$379,537 based on the evidence submitted by the parties. The appellant's attorney asserted that 2013 and 2014 were within the same general assessment period for residential property. The appellant also submitted assessment information on three comparables to demonstrate the subject was being inequitably assessed.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$425,786, with 9,942 total square feet of living area

was disclosed. The board of review submitted descriptions and assessment information on three comparables to demonstrate the subject was being assessed uniformly.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2013 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2013 and 2014 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
