

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: IH3 Property Illinois.LP  
DOCKET NO.: 14-22112.001-R-1  
PARCEL NO.: 05-32-201-013-0000

The parties of record before the Property Tax Appeal Board are IH3 Property Illinois.LP, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,475  
**IMPR.:** \$24,525  
**TOTAL:** \$31,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2014 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family frame and masonry home with 1,501 square feet of living area. The dwelling is approximately 73 years old. The property has a 7,400 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted a settlement statement. The appellant's evidence indicates the subject property sold on October 4, 2013 for \$310,000, or \$206.53 per square foot, including land. The petition indicates that this property was sold using a realtor and the settlement statement confirms that a broker fee was paid. The property was advertised on the MLS for 200 days, however. The appellant also indicated that the transfer was not between family members or a

related corporation. Based on this evidence, the appellant requested an assessment reduction to \$31,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,259. The subject's assessment reflects a market value of \$342,590, or \$228.24 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sale comparables. They ranged in sale price per square foot from \$232.81 to \$263.27. The grid sheet also reflected the sale of the subject in December 2012 for \$432,000. Based on this evidence, the board requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$310,000, or \$206.53 per square foot, including land. The appellant submitted evidence indicating that property was sold using a realtor, was listed on the MLS for 200 days and, therefore, exposed to the open market. Additionally, the parties were not related to each other. Accordingly, the Board finds the subject property had a market value of \$310,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
